It's six rounds into the pennant season and the old body is not faring too well. Just when I thought I've found some form and

confidence, the back starts playing up. Our recent Masters tournament in Wodonga was the start of it and the following week's pennant night finished me off. Just as well we've got the bye next round. I'll need some time to recover.

On the subject of Wodonga, what a great return it was for those who ventured there. The courts were terrific (probably the best I've played on), the dinner dance great and the hospitality of the Wodonga squash club was first class. Just a pity about the Friday night liquor licence expiring at 11pm!!! So many hot and thirsty squashies without refreshments was the only downer on what was a great weekend. I'm sure that problem will be resolved by the time we return in 2014. It was such a good weekend and the response was great so, yes we will do it again next year. I'll leave the rest of the report about Wodonga to Helena as I don't want to steal her column.

Instead, I'll start talking up our Masters/Juniors tournament on 1st-2nd June at Moorabbin. Lovey-dovey wife Jill, will again host the tournament and she is thrilled about that (just ask her!). What we need to work on for this weekend is finding more juniors. We always have plenty of willing Masters players but we need to encourage more u/23 year olds. Just remember, we can find a partner for any juniors if they wish to enter on their own and don't have a ready-made masters partner. I'd really love to increase numbers for this event because it is a great concept so I appeal to

Masters Mums, Dads and interested squashies to support our event.

This year we will also have more support from sponsors so there is a lot to look forward to. Along with the great sponsorship prizes from Inform Connection for our male and female masters' apprentices, we will also receive support from Link Pumps. John Link is a generous supporter of squash in general and we are pleased to have him assist with sponsorship of this event. All juniors entering this event will receive a flash, free shirt just like last year. More information about this event will become available as we get further down the track but in the meantime, make a mental note about this upcoming event in June.

Getting back to Masters, it's great to experience playing on the new courts at Mulgrave. To make matters more enjoyable, I had a win in my first match at the venue. I'm sure Ray Mouw is pleased to know that! Probably won't get another game off him now for that remark! Hope everyone else is enjoying the competition and playing great squash.

Keep hitting winners!!!

Your Prez

Lou Morsch

The VMSA and members associates would like extend our condolences to Roger Child and his family who learned of his mother's (Joan Child) passing at the end of the Dinner Dance at Wodonga. Joan was honoured with a state funeral for her services as Speaker of the House. Our thoughts are with you at this sad time Roger.

### **TOURNAMENT DIRECTOR'S REPORT**

### **WODONGA FEBRUARY 2013**

What a great start to our tournament calendar for this year. A wonderful weekend. It has been a few years since we journeyed to Wodonga, but it was definitely worth the drive.

There has been a lot of work done to bring the courts up to a high standard. It was said by some that they were in a better condition than a lot of other centres.

The weather was "warm", so was that little black ball, which meant a lot of running, long rallies, and a lot of 5 setters.

We were also lucky enough to have Nik at the barbie all weekend providing us with some excellent fare. Great job.! Big thank you also to all at the Wodonga club for your hospitality over the 3 days.

Congratulations to all the winners, but also congratulations to all who participated. All matches over the weekend were played in true masters' spirit, which is what it is all about.

Tournament milestones achieved in Wodonga: Belinda Murphy 50

As usual the dinner dance was a huge success.

Winner of our members draw for 2 free dinner dance tickets was Marge Delaney. (As if she needs any encouragement to attend our dinner dances.) Make sure your membership is up to date before the next tournament so you can be included in the draw.

A big, big thank you to my assistants over the weekend, Karen and Bernie, and also thanks to Michelle for her help on Sunday morning. (Yes she was awake on Sunday morning, or at least her eyes were open.)

Next Masters tournament is the Victorian Championships in Shepparton. We are holding it in Shepparton this year as the response to last year in Bendigo was very positive, so we thought we would try another championship outside of Melbourne.

### **Upcoming Tournaments**

Shepparton - April 26<sup>th</sup> to 28<sup>th</sup> (*Vic State Championships*)

Masters/Juniors (Moorabbin) - June 1<sup>st</sup> and 2nd

Bendigo - July 26<sup>th</sup> to 28<sup>th</sup>

Ballarat - November 22<sup>nd</sup> to 24<sup>th</sup>.

We are not having a dinner dance as such, on the Saturday night. Instead we have booked a function room upstairs at the GV Hotel where we will have a full buffet style dinner.

For those who want to dance the night away, there is a band downstairs.

This should suit everyone, as you can sit and chat upstairs, or go downstairs for the music and exercise. As the band is provided by the venue, it has allowed us to reduce the price for the night to only \$30 per head. Please book your seat on your entry form.

Please get your entries in as soon as you can. The more entries I receive, the more grades we can have, so everyone can play at their own level.

See you at Shepparton.

### Hi Fellow Squashies

Hope your season has started well and fitness is improving, remember the Victorian Masters is coming up and we would love to see you there.

Well the web site is getting closer to being launched which means the information that needs to be used has to be accurate.

I would please ask everyone when filling in entries to tournaments to make their writing as legible as possible and take extra care with phone numbers and email addresses and these are the sections that change the most. If I have difficulty reading your information then it could be entered incorrectly.

Yours in squash,

### **WODONGA WINNERS**

### Wendy O'Brien

For all those in the VMSA who knew Wendy, it is with sadness that I inform of her passing in mid-January. On a personal note, I had the pleasure of playing against Wendy in my early days of Masters pennant and can still remember trying to retrieve those high lob serves of hers. She came to our 30<sup>th</sup> anniversary celebration in Ballarat which might have been the last time many of us may have seen or spoken to her. To all her family and friends, the VMSA extends it's sympathies.

### **Shane Thorpe**

This is not the obituary pages folks. Shane is alive and well and it was good to see him in Wodonga at our recent Masters Tournament. Hope you had a good weekend Shane. In the last edition of the newsletter some people perceived Shane as the reason for problems associated with our website. This is not the case and I am sorry if it was interpreted that way. Shane devoted 10 years to the VMSA as our Webmaster, which was a wonderful contribution. The problems relating to development our new website refer to a different outside source. Apologies Shane if you incurred any embarrassment over this issue.

### Phillip Warren and Ken Hill

Great to see these two fine exponents of Masters back playing again after recent setbacks with their health. Phil is a long standing member of the Grace Park team which includes Angelo, Che, Steve and Biddy. They all played in the recent Ballarat Masters Tournament. Ken has the fortune/misfortune of being a part of the now PEGS Club which includes his teammates - Zig (can we ever forget Shepp 2012 and his stage performance) Brian, Dave and Michelle. (this crew drink well, play well and socialize even harder).

### **Peter Reed**

As one of our younger Masters stalwarts (at 76 yrs of age), Peter had a recent bad experience at pennant when he collapsed after completing the first game of his match. Lucky for Peter there was a trained nurse playing on another court along with several other people with some first aid training to assist before an ambulance arrived. After preliminary testing, there appears to be some blockages that require surgery which the doctors will be performing. After this we trust Peter will be well on the way back to full recovery, hopefully by the time you receive this newsletter. What a team man Peter is, and what a sense of humour he retains. During recovery, he asked his family what day it was. They told him it was Tuesday. Peter promptly informed them that he had to be out of hospital in a couple of days as he had to play pennant on Thursday!!! I am sure all our members reading this, especially all those at Knox, will be wishing Peter a speedy recovery and we hope to see you back playing real soon.

### **Peter Wright**

Happy 70<sup>th</sup> birthday. Peter is our esteemed president of the AUSTRALIAN MASTERS SQUASH ASSOCIATION and a proud VICTORIAN. **Don't take this the wrong way folks,** but Peter is the Mr Big of squash in the Master's World. The VMSA extends it's best wishes to Peter on achieving this milestone, but really, at 70 Peter, you're still a masters youngster. Congratulations again Peter – 70 years young.

### LETTER TO THE EDITOR

Dear Madam Editor,

I feel a need to make reference to an indecent incident that occurred at last weekend's Dinner Dance at the Wodonga Tournament; which by the way was an absolutely fantastic event - both the Tournament and the Dinner Dance.

I happened to witness first hand, a certain lady (who shall remain nameless for fear of litigation) so overcome with the moment (while dancing that is), literally flung herself at the poor unsuspecting band; only to end up in a most unladylike position on her back displaying her knickers to all.

Now I've heard of such things happening at Tom Jones concerts, but it's normal to **remove the knickers first!!!** Alzheimer's is such a bugger. I hasten to point out at this stage that it could have caused grievous harm to the band members and/or their equipment, which, more importantly, would have ruined a great evening. Fortunately however, this didn't occur.

My question is -

Has the Committee thought about how to prevent future mishaps like this? Separating the band from this particular female by installing industrial strength chicken wire to protect all parties perhaps???

I await the Committee's response.

### Webmaster's Report

### Hello everyone,

### A website update.

I must apologize for the delay in producing a website online before this, but we wanted this new website to be excellent in every way for all of you.

It has taken a lot of time and effort to get where we are now with the site. I have been using the 'preview' website to make sure that the entire website is functioning properly, and things are in the correct order. The last thing we wanted was to produce a site that only half functioning, was difficult to use, and was not user friendly, but I'm happy to inform you that I think you will find it very satisfactory.

Now the date for the launch isn't far off, and I'm hoping to receive the next preview of the site with the new amendments in 2 weeks and if it's what we require then with luck it should be released 4 to 6 weeks after that (hopefully soon after the release of this newsletter).

The new website will be easy to interact with. It will have all the pennant information - fixtures, ladders, results, finals venues and court locations with maps - and if it doesn't have the one you require, simply email us and we shall have it there in a jiffy.

If you are a financial member of the VMSA (not just a team member playing VMSA pennant), you will be able to enter tournaments online, book dinner dance seats, renew your membership and update your personal details online. The Tournament Calendar will be available for viewing or downloading. The cost of membership is just \$20 per year which entitles you not only to online entry, but discounts on entry fees and an automatic entry into the Membership Draw when you attend a tournament.

Everyone will have access to the newsletter to read online, download it, have it emailed or posted to you. There will be a photo and video gallery for you to access to see who won the sections or to see yourself playing. All the results of the weekend will also will be available as soon as they are uploaded. You will be able to download entry forms and either email or post them in.

Online shopping will be available for you to buy uniforms, stubby holders and other items displayed there. Let us know what you would like to see there. There will be links to all the different states to take you directly to their website – very helpful when the time comes to enter the Australian Masters Tournament.

Alerts to other squash activities and their links will also be available.

Overall I think you will enjoy it, find it easy to use, and help you with your pennant nights. The main fact is, this is YOUR website for you to use.

Kind regards
